

JAPANESE INVESTORS HAS BECOME SHAREHOLDERS PT INDONESIA FIBREBOARD INDUSTRY Tbk

Jakarta, 23 January 2020

PT Indonesia Fibreboard Industry Tbk (“the Company”) announced that on January 21, 2020, SMB Kenzai Co., Ltd., Noda Corporation, and Ishinomaki Plywood Manufacturing Co., Ltd.—companies based in Japan that focus on the wood products business, particularly in the Japanese market—have invested in the Company by purchasing shares through trading on the Indonesia Stock Exchange, acquiring 25%, 3.72%, and 3.72% of the Company’s shares, respectively.

The entry of this new shareholder is viewed as a positive business synergy in the effort to propel the Company to the next level. For the Company, this partnership not only strengthens its export market but also facilitates the transfer of technology and skills that will provide added value to the Company, which in turn can create added value for shareholders and other stakeholders.

As for the profits of the Company’s new shareholders:

- SMB Kenzai Co., Ltd. is a company engaged in the trading of building materials, providing comprehensive services for various construction projects and backed by extensive capabilities.
- Noda Corporation is a company engaged in the manufacturing, import, processing, and sale of wooden and inorganic building materials, medium-density fiberboard (MDF), and plywood.
- Ishinomaki Plywood Manufacturing Co., Ltd. is a company engaged in the manufacturing and sale of various types of plywood and other related plywood products.
